

European Framework for Education in Food Safety Risk Assessment

Update on the Advisory Forum Discussion Group on
Capacity Building

03 December 2020 | Ana Canals, Nicole Gollnick

What happened since the 77th AF Meeting?

Exploratory and Feasibility study for the excellence label with a professional contractor was endorsed by EFSA.

Under the current mandate the AFDG on CB will contribute by:

- Liasing with the contractor conducting the study.
- Developing criteria for courses awarded with the excellence label.
- Developing a core curriculum for the courses awarded with the label in parallel to the study.

What have we achieved so far?

12th November 2020

Kick-off Meeting

Output

- Establishment of the Steering Committee
- Agreement on internal coordination and working mode.

25th November 2020

Feasibility Study Requirements

Output

- Identification of EFSA framework contract
- Specification of the requirements for the feasibility study

What are the next steps?

4th December 2020

Label criteria and curriculum

Expected Output

- Action Plan (outputs, deadlines and responsibilities)
- Draft Design of Excellence Label

Tbd December 2020
