

20-21 October 2020
NoS Technical Group Meeting

Notification of Studies Testing the Database

Stefano Cappè
Evidence Management Unit

Trusted science for safe food

- The test is organised in two test groups
- Each group will contain representatives of:
 - Business and Food Industry stakeholders
 - Laboratories
- MSs and EC may participate
- There will be two test scenarios:
 - Notification of studies
 - Notification of intended studies for renewal
- EFSA users will connect to DB and execute the tests proposed by the participants to test groups for the two test scenarios

Testing

Test session	First group	Second group
Notification of studies	Monday 26 October 15:00-16:30	Tuesday 27 October 9:30 -11:00
Notification of intended studies for renewal	Wednesday 28 October 9:30-11:00	Thursday 29 October 15:00-16:30

How to apply for testing

- Send an email to:
 - TG-DATABASE_Notification_Studies@efsa.europa.eu
 - By 22 October 1300 CEST
- Submit your preference for group 1 or group2 or both
- When not possible to accommodate EFSA will operate a random selection
 - Members shall always follow the same testing group
