

Joint International Symposium – First Announcement

Past, Present and Future Challenges in Risk Assessment – Strengthening Consumer Health Protection

November 30th – December 1st, 2017

We are pleased to invite you to a Joint International Symposium hosted by BfR, NIFDS, ANSES and DTU food. In an ever more interconnected world international cooperation is becoming increasingly important. In light of BfR's 15th anniversary, we therefore want to invite you to jointly look back on the last one and a half decades of risk assessment and discuss current activities and future issues in consumer health protection on national and international levels such as microbiological agents, chemical substances, methodologies and harmonization.

A poster session on current topics in risk assessment and a poster award will moreover provide the opportunity to actively engage in the conference.

Venue: German Federal Institute for Risk Assessment, Diedersdorfer Weg 1, 12277 Berlin, Germany

Date: Thursday, November 30th and Friday, December 1st, 2017
