TEMPLATE FOR FOCAL POINT TECHNICAL REPORT IN 2017

Reporting that the activities undertaken by Food Focus is a requirement set given in the Food Focus Agreement. This reporting template has been developed to facilitate the reporting process. The activities reported in this template are based on those identified generally in Article 5 (b) (ii) of the work of the Agreement. Food Focus is obliged to carry out activities related below in mandatory, while the remaining ones are optional and depend on whether they are relevant and/or that are of our interests. Should other activities that fit into given in this template be undertaken by Food Focus, they also have to include in Part 2, in the table with the reference. This table serves as guidance under the heading "in Part 2 of the reporting template, relevant to" (Comments: Food Focus are asked to fill in the **relevant** in appropriate).

This report has two distinctive parts:

ANNEX III
TEMPLATE FOR FOCAL POINT TECHNICAL REPORT IN 2017

Reporting both the activities undertaken by Focal Points is a requirement laid down in this Focal Point Agreement. This reporting template has been developed to facilitate the reporting process. The activities included in the template are based on those identified previously in Annex I. Below the scope of this Agreement, Focal Points are obliged to carry out all activities related to the mandatory activities of the reporting, only are optional and depend on whether they are relevant for the use for your country. Should other activities not be covered by this template, the activities to be reported by Focal Points may also be included in Part 2, in the table with the reference "For other activity not covered under this template" or in Part 3 of the reporting template, reserved for "Comments". Focal Points are asked to fill in the **REPORT** as appropriate.

This report has two distinctive parts:
