Knowledge transfer (RM, RA, RC) through presentations, discussions and practical trainings

Informal meetings and final discussions

- Knowledge exchange
- Networking and next steps
- Analysis and strategy

Lessons learnt

Dear Participants,

The TAIEX Expert Mission on 'Risk Management and Risk Assessment at EU level, Legislation and Implementation', 7-11 October 2019, Tirana - Albania, was a challenge and opportunity for all of us. We are very happy to have made this exceptional experience; we loved and enjoyed very much meeting with you! You have been a great team: your commitment, interest and your ideas for advancing the food safety system in Albania is a source of motivation for us!

We strongly hope that the presentations, training materials and the fruitful discussions will be of help and value for your work contributing to a better food safety system, consumer protection and healthy food in your country. Relevant information to this TAIEX Mission is available: Press release in [English](#) / [German](#), [Photos](#), Tweet in [English](#) / [German](#) and [Movie](#).

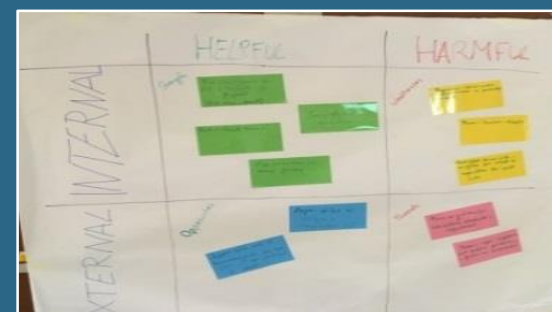

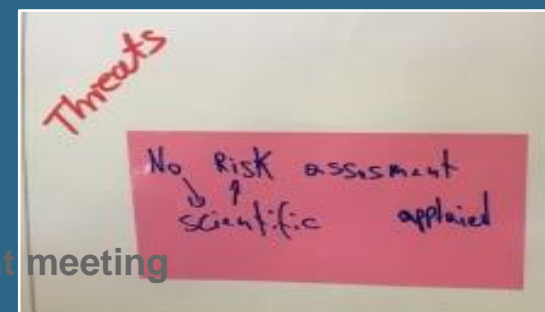

Last but not least, we would like to very much thank the TAIEX services (Erica) of the European Commission for the excellent support provided at any stage of preparing and implementing this mission.

We will always be very happy to hear from you!
