

European Food Safety Authority

Concluding remarks

1 June 2010
Parma, Italy

Technical meeting with stakeholders on recent
developments related to health claims

- EFSA provided update on the EFSA`s health claims evaluations
- Presentations of the European Commission, French Authority and Industry
- A lively and open dialogue on issues raised by the audience

Follow-up of meeting

- Short meeting report, plus all presentations on the EFSA website by 2 June 2010
- Comments can be still sent to EFSA until 4 June 2010 (nutrition.conference@efsa.europa.eu)
- Update of the briefing document taking into account comments received prior and during the meeting + publication of summary report of comments received
- NDA to prepare additional guidance in selected areas (studies/outcome measures acceptable for substantiation)

Consultation with stakeholders

- EFSA is committed to (continued) open consultation on the development of clearer guidance to applicants
- Web consultations/workshops in selected areas, like gut and immune function, antioxidants, satiety, mental function
- First workshop on gut and immune function claims envisaged by end of 2010
