## Assessment of the interests declared pursuant to Article 13(2) of the Rules of Procedure of the EFSA Management Board

The present note provides an assessment on whether the interests newly declared by Board members represent a potential conflict in accordance with EFSA's internal rules and the Board Code of Conduct. Based on this assessment, the Board should reach a conclusion and where appropriate recommend a follow-up.

The following evaluation concerns newly declared interests. The advice takes into account the employment and activities of the member, his/her role in the Board and the responsibilities of the Board in view of the fact that, in terms of impact on EFSA's business, it primarily looks at the regularity and legality of EFSA's processes without entering into the merit of any scientific activity carried out by the other bodies of EFSA.

If an identified conflict that is substantially affecting the work of the Board or EFSA's reputation is not resolved by the proposed assessment and a member of the Board is not fulfilling his/her obligations in relation to independence in such a manner that this is substantially affecting the work of the Board, the Board, acting on a two-thirds majority, may ask for his or her replacement<sup>1</sup>.

### Aivars Bērziņš

**DoI submission date:** 17 November 2021

**New declared interest:** Election as the Chair of the EFSA Management Board on 14 October 2021.

**Assessment:** Complying with the legal requirement demanding to the members of the Management Board to submit an updated DoI on annual basis, Mr Aivars Bērziņš confirmed the interests declared in 2020 and added information on his election as the Chair of the EFSA Management Board. The new interest declared by Mr Bērziņš does not constitute conflict of interest. With regard to the confirmed interests, it is unlikely that those may lead to conflicts, but as a precautionary approach, it is suggested that the Board re-examines their relevance to assess whether specific conflicts may exist when it discusses EFSA's outsourcing programmes.

<sup>1</sup> Article 15 of the Rules of Procedure of the Management Board.

## Marija Cerjak

**DoI submission date:** 1 December 2021

**New declared interests:**

- President of the Croatian Society of Agricultural Economists since Nov. 2018.
- Professor at the University of Zagreb, Faculty of Agriculture, since Jun. 1998.
- Owner of Agroprojekt since May 2020.
- Member of the European Association of Agricultural Economists since 2014.

**Assessment:** Prof. Cerjak was appointed as a member of the EFSA Management Board with the Council decision adopted on 23 November 2021 and she is among the members with a background in organisations representing interests in the food chain<sup>2</sup>. Her interests shall be assessed in view of Art. 25(1) of Regulation (EC) No 178/2002 and of the role exercised by the EFSA Management Board, which by law carries out governance functions without entering into the merit of scientific decision-making processes, the latter pertaining exclusively to the EFSA Scientific Committee and Scientific Panels.

**Employment at the Zagreb University:** Prof. Cerjak holds the position of Professor at the Faculty of Agriculture, Department of Marketing in Agriculture. The Zagreb University is a public institution operating in the public interest in the areas of higher education and research. It is unlikely that the employment of Prof. Cerjak at the Zagreb University may lead to a conflict. However, as a precautionary approach, it is suggested that the Board re-examines its relevance to assess whether specific conflicts may arise when it discusses EFSA's outsourcing programmes.

**Ownership of Agroprojekt:** Prof. Cerjak's firm provides consultancy services in the area of agri-food marketing research. The business activities of Agroprojekt are carried out in an area not pertaining to the mandate of the European Food Safety Authority and they do not represent, as such, a potential conflict of interest.

**Presidency of the Croatian Society of Agricultural Economists:** the Croatian Society of Agricultural Economists is a learned society pursuing the aim to promote the profession of agricultural economists and agricultural sociologists. Among its activities are included: the organisation of round tables, panel discussions, workshops, scientific conferences and active work with students. The Society publishes its own scientific journal: Agroeconomia Croatica. The activities of the Croatian Society of Agricultural Economists are carried out in areas not pertaining to the mandate of the European Food Safety Authority and they do not represent, as such, a potential conflict of interest.

**Membership in the European Association of Agricultural Economists:** the European Association of Agricultural Economists is a learned society bringing together agricultural economists and other professionals interested in the problems of the agricultural and food industries and rural development in Europe. Mere membership in a learned society does not represent a potential conflict of interest.

EFSA processes all Declarations of Interests (DoIs) in accordance with Regulation (EU) 2018/1725. DoI processing is necessary in order to safeguard the independence of EFSA and enable the Authority to carry out its mission and comply with its obligations under Regulation (EC) No 178/2002.

The Executive Director of EFSA is the data controller with respect to the handling of DoIs.

Concerned individuals have the right to access, rectify, erase and object to the processing of their ADoI at any time. Concerned individuals will be contacted if EFSA becomes aware of information that is not consistent with the declared interest such as on the occasion of compliance monitoring activities outlined in the relevant [Standard Operating Procedure](#).

Certain ADoIs shall be made publicly available in accordance with Article 38(1)(d) of Regulation (EC) No 178/2002. Furthermore, ADoIs may be transferred to bodies in charge of monitoring, auditing or inspection in conformity with EU Law.

The conservation period for ADoIs per category of data subjects is 10 years from the date of submission of the relevant ADoI.

Concerned individuals may direct any queries regarding personal data processing by EFSA to the data protection officer [DataProtectionOfficer@efsa.europa.eu](mailto:DataProtectionOfficer@efsa.europa.eu).
