

DECISION

EFSA – European Food Safety Authority	Decision of the Management Board of the European Food Safety Authority on the update of the list of competent organisations designated by the Members States, which may assist the Authority	Decision No.: mb211216-a5
	Effective Date: 16/12/2021	Supersedes: The most recent list of competent organisations designated by the Members States which may assist the Authority (Art. 36 List), as approved on 14/10/2021

Approvals	Signature	Name
Originator		Victoria Villamar (Head of ENCO Unit)
Reviewer		Barbara Gallani (Head of COMCO Department)
Management Board	See Decision	Aivars Bērziņš (Chair of EFSA Management Board)

Introduction	According to the Article 36 of EFSA's Founding Regulation, the Management Board shall draw up a list of competent organisations designated by the Member States which may assist EFSA with its mission.
Description	The Management Board, acting on proposal of the EFSA Executive Director, regularly updates the list of competent organisations, designated by the Member States which may assist the Authority.

Abbreviations	See Decision

UPDATE OF THE LIST OF COMPETENT ORGANISATIONS DESIGNATED BY MEMBER STATES

Commission Regulation (EC) No 2230/2004¹ foresees that the "Authority's Management Board, acting on a proposal from the Executive Director, shall draw up the list of competent organisations" (Art.2(2)) and that "the list shall be updated regularly, on the basis of proposals from the Authority's Executive Director, taking account of reviews or new designation proposals from the Member States" (Art.2(4)). The regulation further foresees that "Member States shall review the list of organisations they have designated regularly, and at least every three (3) years" (Art.1(3)).

Organisations are "designated by the Member States on the basis of criteria"² and EFSA has ensured that the organisations designated by the Member State comply with the set criteria.

The List was initially drawn up by the Decision of the Management Board of 19 December 2006. The List is regularly reviewed by the Member States for new designation proposals, deletions and changes to organisations included in the List.

I. New designations for the List

The Permanent Representations to the EU of Austria, Hungary and Portugal have officially notified EFSA of **new** designation proposals for inclusion in the List, namely of the following **four** competent organisations, which may assist EFSA with its mission:

Austria (2):

- Medical University of Innsbruck
- University of Vienna

Hungary (1):

- University of Szeged

Portugal (1):

¹ Commission Regulation (EC) No 2230/2004 of 23 December 2004 laying down detailed rules for the implementation of European Parliament and Council Regulation (EC) No 178/2002 with regard to the network of organisations operating in the fields within the European Food Safety Authority's mission (OJ L 379, 24.12.2004, p. 64–67).

² The criteria the designated organisations need to meet can be described as follows, ref. Commission Regulation (EC) No 2230/2004, Art.1(1):

- A. They must "carry out scientific and technical support tasks in the fields within the mission of the European Food Safety Authority";
- B. They must be "legal entities pursuing public interest objectives" and be able to ensure that the "tasks entrusted to them by the Authority will be performed with independence and integrity";
- C. They must "possess a high level of scientific or technical expertise in one or several fields within the Authority's mission";
- D. They must "have the capacity to operate in a network on scientific actions".

- School of Agriculture – ULisbon.

II. Technical updates

In addition, the Management Board is informed about the **update** of technical information (not changing compliance with the criteria of inclusion) of **14** earlier included organisations in the List, namely by:

Bulgaria (6):

- Trakia University
- University of Food Technologies
- Institute of cryobiology and food technology
- Central laboratory of veterinary control and ecology
- Institute of biology and immunology of reproduction "Acad. K. Bratanov", BAS
- Institute of Food Preservation and Quality

Greece (3):

- Hellenic Agricultural Organisation – Dimitra (previously – Demeter)
- National Center for Scientific Research "Demokritos"
- University of Crete

Slovakia (5):

- Slovak University of Agriculture in Nitra
- State Veterinary and Food Institute
- Institute of Parasitology Slovak Academy of Sciences
- The University of Veterinary Medicine and Pharmacy in Košice
- Central Control and Testing Institute in Agriculture.

III. Conclusion

The Management Board is presented for adoption the **updated List of Competent Organisations**.

The updated List will include in total **308** organisations designated by 29 countries (EU27, Iceland and Norway) upon the Management Board's adoption of this update, i.e. including **4 new** organisations designated by Austria, Hungary and Portugal.

The List is published via EFSA's website³, automatically sourced from the Competent Organisations Database (with the details as presented below) and notified via the Official Journal of the European Union.
