

Assessment of the interests declared by the members of the Management Board pursuant to Article 37(1) of the Regulation (EC) No 178/2002 of the European Parliament and of the Council

The present note provides an assessment on whether the interests declared by Board members represent a potential conflict in accordance with EFSA's internal rules and the Board Code of Conduct. Based on this assessment, the Board should reach a conclusion and where appropriate recommend a follow-up.

If an identified conflict that is substantially affecting the work of the Board or EFSA's reputation is not resolved by the proposed assessment and a member of the Board is not fulfilling his/her obligations in relation to independence in such a manner that this is substantially affecting the work of the Board, the Board, acting on a two-thirds majority, may ask for his or her replacement¹.
