[NOT SIGNED]

Chair of the Management Board

SUMMARY

In addition to the budget stemming from the European Union and European Free Trade Association (EFTA) contribution (C1 credits) Multiannual Financial Framework, approval is requested for the integration of the funds stemming from EFSA's future participation in the European Partnership on Animal Health & Welfare into EFSA 2024 budget (R0 credits). Under a HORIZON Action Grant, EFSA will become a beneficiary of a grant agreement awarded by the European Research Executive Agency (REA) to a consortium led by the University of Ghent. The grant agreement provides for a co-financing rate of 50% of the total eligible costs which are estimated for EFSA as € 1.275,991.25. The receipt of 50% co-financing with a total maximum amount estimated at 637,995.63 will be received in 3 tranches over the period of 3 years: a pre-financing payment made within 30 days of the grant agreement signature, followed by an interim payment after 18 months and a final payment at the end of the initial implementation period of 36 months.
