ESTABLISHMENT OF THE EFSA NETWORK ON VETERINARY ENTOMOLOGY

Decision of the Management Board of the European Food Safety Authority on the establishment of a Scientific Network on Veterinary Entomology

Article 1

1. The Scientific Network on Veterinary Entomology is established.
2. The adoption of/and amendment of the Terms of Reference of the network established in accordance with paragraph 1 is delegated to the Head of Unit of the Biological Hazards & Animal Health and Welfare Unit in EFSA.

Article 2 –Entry into force

This Decision shall take effect on the day following the date of its adoption.
