

# EFSA WEBINAR DISCLAIMER AND DATA PROTECTION NOTE

## **Disclaimer for information provided in EFSA webinars:**

This disclaimer applies to EFSA Webinars and any documents, information or opinions obtained from or ancillary to the Webinars. You are advised to read this disclaimer carefully before accessing, participating in, reading or making any other use of an EFSA Webinar.

EFSA makes no representations or warranties about the accuracy or suitability of information provided in the Webinars and related materials (such as hand-outs, presentation documents and recordings).

The information contained in the Webinars and related materials are not intended to constitute advice of any kind or the rendering of consulting, or other professional services. Registering for a Webinar only constitutes an agreement to attend, not a contract for consultancy or advice. Registration does not establish any contractual relationship with EFSA. You should consult with an attorney, food consultant or other professional to determine what may be best for your individual needs.

The opinions expressed in a Webinar are those of the author(s) only, and may not necessarily represent the views of EFSA or of any other EU Institution or body. To the extent permitted by law, EFSA and its agents and experts exclude any and all liability for any loss, claim or damage, cost or expense, including any indirect or consequential damages or lost profit, whether arising in negligence or otherwise, suffered in connection with the access to, participation in, or use of the Webinar by you or any other person.

By acceding to this service, you acknowledge that the information and materials contained in the Webinar may contain inaccuracies or errors. The content of the information provided in the Webinar is for your general information and use only. It is subject to change at any time and without notice.

The Webinar may include links to other resources or websites. These links are provided for your convenience only and do not signify that EFSA endorses, approves, or makes any representation or claim regarding the accuracy, copyright compliance, legality, or any other aspects of, the resource(s) or website(s).

You are advised not to send any confidential or sensitive information to EFSA in the context of a Webinar.

### **Note on processing of personal data in the context of the webinar:**

Regulation (EC) n° 45/2001 and, when repealed, the new Data Protection Regulation for EUIs, transposing the General Data Protection Regulation (EU) n° 2016/679 expected to enter in force during 2018, is applicable in the context of Webinars organized by EFSA as an Agency of the European Union.

The purpose of the EFSA Webinars is to provide information, clarification, training and promotion on matters within EFSA's remit. The Webinars are recorded and the recording is kept online on the EFSA website as long as considered to serve the overall information and training purpose for the general public.

By registering and logging on to a Webinar, the participant agrees to the following:

- personally identifiable information of participants may be heard, seen, read, collected, or used by EFSA as the organizer and other webinar participants ;
- any communication or information transmitted during the webinar, such as voice, live instant messaging displaying names of those intervening, presentations, are available to the webinar audience and are also recorded for EFSA's further promotion and information purposes ;
- EFSA may further use the information available on the webinar such as invitee lists, attendee logs, information on the webinar subject matter and the recording thereof.

The on-line provision and recording of EFSA Webinars is supported by the software application AdobeConnect®. The present disclaimer and data protection note is contained in the EFSA configuration of the system by means of a weblink or embedded in the system.

EFSA Webinar participants shall apply appropriate circumspection when disclosing any their personally identifiable information or personally

sensitive data since this information may be collected and used by other webinar participants.

The CORSER Unit, in charge of the coordination of EFSA Webinars is the controller regarding the related personal data processing.
