Interests and actions resulting from the screening of Annual Declarations of Interest (ADoI) or Specific Declarations of Interest (SDoI)

In her SDoI Dr. Dusemund Birgit declared the following interest: ‘I finalised on 27.06.2014 a report on behalf of BfR, on the safety evaluation of “whole Aloe arborescens leaves” as food supplements. This included an evaluation of hydroxyanthracene derivatives as the main components of this botanical. This report was sent to the Federal Ministry of Food and Agriculture (BMEL) and is not published until now but may be published in near future’.

In accordance with EFSA’s Policy on Independence and Scientific Decision-Making Processes\(^6\) and the Decision of the Executive Director on Declarations of Interest\(^7\), and taking into account the specific matters discussed at the meeting in question, the interest above was deemed to represent a Conflict of Interest. This results in the exclusion of the expert from any discussion, voting or other processing of item 4.1 ‘Scientific opinion on the safety of hydroxyanthracene derivatives’ by the concerned scientific group.
